We take care of arranging your accommodation for the 4 nights of the conference that are included in the full board package.

Please note that the number of single rooms at the conference site hotel is limited. If you request a single room, it will therefore most likely be booked in one of the nearby hotels that we will use for extra rooms.

Sharing a bedroom with another participant will increase your chances of being booked at the conference venue hotel. If you have a suggestion for room sharing, you can indicate the name in the registration form.

Free transport to and from the conference site in the morning after breakfast and in the evening after dinner will be provided to participants booked in the external hotels. Daily schedules of this transport will be available at the hotels and conference venue. Breakfast will be served at your hotel, whereas all the other meals are booked at the conference venue restaurant.

Extra pre- and post-conference nights are under the responsibility of the participant and are not included in the booking we arrange.

Your registration and hotel booking is confirmed upon receipt of your payment.

About 2 weeks before the conference you will receive from us the information on the hotel where your room is booked.
